The March nomination goes to the house at 812 North 7th St. It has new owners, which we need to find out who they are. It was recently purchased and has a brand new yellow "coat". We are very happy to welcome these new owners to the neighborhood.

3/22/07 --

We received an e-mail from the new owners and here is what they had to say.....

"Just wanted to let you know that I and my boyfriend, Greg Bishop, are the new owners of the house at 812 Seventh St. We really appreciate the recognition of all our hard work and we've only just begun at this point. We will be putting the finishing touches on the porch and yard as the weather warms up. We are also continuing the inside renovations with painting and repairing the walls and refinishing the hardwood floors etc"

Thanks again!!

Erin Brand

You're welcome, Erin. Maybe someday we will be featuring your house on one of "Historic Home Tours"!!!!

NO NOMINATION FOR APRIL

814 N. 7th

The nomination for May is 814 North Seventh Street, the homeowner is Dawnetta Adams. Dawnetta has been the owner for four years. It is next door to Erin's home and has a brand new blue-gray "coat". This is a beautiful home.

The following is another home that was one of our Paint Brush monthly nominations from last year. This is another fine example of great painting and landscaping. The Paint Brush nominations are made for any outside improvements whether it be painting, remodel, additions or landscaping. These home owners put a lot of time and effort into making their homes pleasing to the eye as you go down their street. Thank you to you all who help to improve the Enos Park neighborhood!

This was a nomination from last year I believe for the wonderful landscaping that homeowners, Bernie and Carol Ferrer had done.

They turned an empty lot into a beautiful oasis.
